

Campdraft Manager

VERSION 3.1

FEATURING

Simple Nominations

Random Draws

Numerous Reports

On-Screen Scoring

Email Draws

Receipts and Accounting

User Friendly

The Essential Tool for all Campdraft Organisers

Designed specifically for the organisation of campdrafts, this Windows based software is easy to use and produces score sheets, listings for display, performs draws, provides account summaries, calculates scores and prints competitor statements and receipts. And much more!

Campdraft Manager Version 3.1, available now, incorporates many features based on suggestions by users of previous versions so that it now offers a comprehensive and flexible choice of options for both processing and reporting.

Designed to be easy to use.....

Simple Nominations

- One step nomination entry
- Allows unlimited numbers of competitors, horses, events
- Record prize eligibility
- Total nominations and fees to date available at any time
- Age checks

Random Draws in Seconds

- Separates same rider entries
- Includes draw in entry order setting
- Allows for special draw requests
- Allows manual adjustments of draws
- Allows different first/second round draws or draw in reverse order options
- Prints numerical and alphabetical listing of draft draws
- Export in text format for email distribution
- Insert blank entries at pre-determined spacing

Numerous Report Choices

- Prints Score Sheets
- Prints Announcer Sheets
- Prints draw listings for display
- Prints 'competitor statements' for each with nominations, payments, and draw numbers

CAMPDRAFT MANAGER:

- *Maintains data from one year to the next*
- *Creates mailing lists and email lists from your data*
- *Is used throughout Australia*
- *Has been the first choice in campdraft management software since 1992*
